## 148 Attachment 5

**Table 3-1**

**Exotic and Invasive Plant Species**  
[Amended 4-18-2007 by Ord. No. 11-2007; 10-16-2023 by Ord. No. 25-2023]

<b>Common Name</b>	<b>Botanical Name</b>
Trees	
Norway maple	Acer platanoides
sycamore maple	Acer pseudoplatnus
tree of heaven	Alianthus altissima
Russian olive	Eleagnus angustifolia
autumn olive	Eleagnus umbellatus
white mulberry	Morus alba
Amur corktree (female only)	Phellodendron amurense
white cottonwood	Populus alba
Shrubs and Small Trees	
Japanese barberry	Berberis thunbergii
Herbaceous Plants	
bush honeysuckle	Lonicera spp
winged euonymous	Euonymous alatus
common buckthorn	Rhamnus cathartica
European buckthorn	Rhamnus frangula
wineberry	Rubus phoenicolasius
Japanese spirea	Spirea japonica
coralberry	Symphoricarpos orbiculatus
multiflora rose	Rosa multiflora
privet	Ligustrum spp.
porcelain berry	Ampelopsis brevipedunculata
Oriental bittersweet	Celastris orbiculata
Japanese honeysuckle	Lonicera japonica
kudzu	Pueraria lobata
climbing euonymous	Euonymous fortuneii
English ivy	Hedera helix
periwinkle	Vinca minor
Japanese/Chinese wisteria	Wisteria floribunda, Wisteria sinensis
purple loosestrife	Lythrum salicaria
Japanese knotweed	Polygonum cuspidatum
garlic mustard	Ailara officinalis
crownvetch	Coronilla varia
moneywort	Lysimachia nummularia
Russian thistle	Sorgum halpense
bamboo	Bambusa spp and other plants within the Bambusoideae
