NOTES:

- ¹ Two-family dwellings, conditional use; * § 160-129C.
- ² No side yard required with party wall construction; otherwise minimum side yard is five feet.
- ³ No rear yard is required for those properties backing on the Arthur Kill River.
- ⁴ For every one foot a structure exceeds the height limit for the zone, each yard setback shall be increased 1½ feet over the minimum, but the height shall not exceed a maximum of 400 feet. This restriction shall not apply to an HI-A or HI-B Zone when it refers to a rear yard.
- ⁵ Minimum area requirement for a building with more than two dwelling units. For single-family detached and two-family dwellings, the minimum lot area and bulk standards in the R-25 District shall apply.
- ⁶ Minimum area requirement for commercial use.
- ⁷ All proposed residential buildings must conform with § 160-129 and corresponding R-25 bulk requirements.
