Height of farm structures (feet)															

NOTES:

<sup>1</sup> In the R-1 One-Family Residential and R-2 Two-Family Residential Districts for lots of record prior to November 19, 1993, and 12,000 square feet or less, minimum setback requirements shall be as follows:

- Front yard: 25 feet.
- Side yard: 7½ feet (1½ stories or less in height).
- Side yard: 10 feet (greater than 1½ stories in height).
- Side yard abutting street: 20 feet.
- Rear yard: 20% of lot depth but not less than 20 feet nor greater than 30 feet.

<sup>2</sup> In the R-1 One-Family Residential and R-2 Two-Family Residential Districts, side and rear yard setbacks for accessory buildings shall be as denoted, except that when the garage door is parallel with the alleyway, the minimal setback shall be 10 feet.

<sup>3</sup> Required subdivision approval. Zero lot line lots are subject to approval of subdivision by the Plan Commission and Common Council. Lots of record located in the R-2 Two-Family Residential District created prior to November 19, 1993, may be subdivided to create zero lot line lots for the development of two-family residences with minimum standards of 33 feet in width and 4,000 square feet in area. The smaller lot created may not be less than 41% of the total width of the initial lot proposed for subdivision. Lots of record located in the R-2 Two-Family Residential District created after November 19, 1993, may be subdivided to create zero lot line lots for the development of two-family residences with the minimum standards of 40 feet in width and 5,000 square feet in area. The smaller lot created may not be less than 41% of the total width of the initial lot proposed for subdivision.

<sup>4</sup> Limitation of units per building. The RM-4 District limits the maximum number of dwelling units per building to eight.

<sup>5</sup> Except upon approval of a conditional use permit, but the maximum area shall not exceed 12% of the lot area with a maximum area of 1,320 square feet.

<sup>6</sup> The height of garages may exceed 20 feet upon approval of a conditional use permit.

<sup>7</sup> Except abutting residential-zoned properties when it is to be 10 feet.
