Single-family detached dwelling <sup>2</sup>	20,000 square feet	60	100	40	15	50	35%	35

**NOTES:**

N/A: Not applicable

<sup>1</sup> Regardless of the required minimum yard setbacks required in the applicable zone, any lot used principally for nonresidential, nonagricultural/forestry purposes, adjoining land or across the street from land within the (R) Zone or residential zones shall be maintained with a seventy-five-foot yard setback which shall be improved with a landscape screening strip and screening in accordance with Article V relating to screening and landscaping (§ 350-526.). No principal or accessory use, building, structure, off-street parking lot, loading area, outside storage, or outside display shall be permitted within the additional required setback area.

<sup>2</sup> Existing as of January 25, 1994, and does not comply with the standards for single-family detached dwelling established after January 25, 1994.
