Wall sign	Residence, PB and CF	12 sf	10	n.a.	External	Required	Until sign is altered; per permit
	All other	2 x w.s. ⁷	15	n.a.	Internal	Required	Until sign is altered; per permit
Window sign	All	25% of window	n.a.	n.a.	None	Not required	n.a.

Notes:

1. "External" means external illumination only. "Internal" means both internal and external illumination.
2. Maximum area for any such sign is 12 square feet.
3. Measured from front property line.
4. These temporary sign regulations not applicable to window signs; see also § 322-70A(11) and § 322-72F for related provisions.
5. Maximum total area for all such signage, with a maximum area for any individual sign of three square feet.
6. Measured from edge of street pavement. This setback requirement shall not supersede § 322-70A(8) or provide any permission or authorization as referred to therein.
7. "w.s." means width of store frontage on a public highway.
