LAND USE AND DEVELOPMENT

NOTES:

1. If not shown in the above schedule or within the relevant chapter text cited, all minimum and maximum dimensions related to any use shall be determined by the Land Use Board.
2. All structures shall be located not less than 200 feet from the center line of any stream as per § 60-53.
3. Tree cutting, harvesting, clearing or woodcutting shall be in accordance with the provisions of § 60-76.
4. All uses described as “low intensity” shall be sized and designed to comply with the definition of said term in § 60-4C.
5. Off-street loading as per § 60-79 and off-street parking as per § 60-80 shall be provided for all uses.
6. All lot requirements (minimum lot, minimum yard setbacks and minimum lot coverage) as set forth in the above Schedule of Regulations shall refer to requirements for "mobile home spaces" and yard setbacks and coverage within them when applied to temporary or permanent use of mobile homes or manufactured homes within mobile home parks.
