### *550 Attachment 2*

#### **City of Watertown**

#### **Appendix B Land Use Regulations (Requirements per Articles II through VI)**

##### **How to Use the Land Use Table:**

- (1) The land uses listed in this appendix are specifically designated and refer to the detailed listing of land uses contained in Article IV (Detailed Land Use Descriptions and Regulations).

- (2) **Land Uses Permitted by Right:**

Land uses listed as permitted by right (designated as a "P") are permitted per the general land use requirement of this chapter (§ 550-47); per the general requirements of the specific zoning district in which they are located; per any additional requirements imposed by applicable overlay zoning districts as designated on the Official Zoning Map; per the general requirements of this chapter, including § 550-145; and per any and all other applicable City, county, state and federal regulations.

- (3) **Land Uses Permitted as a Conditional Use:**

Land uses listed as permitted as a conditional use (designated as a "C") are permitted subject to all the requirements applicable to uses permitted by right as listed in Subsection (2) above, plus any additional requirements applicable to that particular land use as contained in Article IV (Detailed Land Use Descriptions and Regulations), including any additional requirements imposed as part of the conditional use process. Each application for, and instance of, a conditional use shall be considered a unique situation and shall not be construed as precedence for similar requests. (See also § 550-142 for conditional use procedures.)

- (4) **Land Uses Permitted as an Accessory Use:**

Land uses permitted as an accessory use are permitted subject to all the requirements applicable to uses permitted by right as listed in Subsection (2) above, plus any additional requirements applicable to that particular land use as contained in Article IV (Detailed Land Use Descriptions and Regulations).

- (5) **Land Uses Permitted as a Temporary Use:**

Land uses listed as permitted as a temporary use (designated as a "T") are permitted subject to all the requirements applicable to uses permitted by right as listed in Subsection (2) above, plus any additional requirements applicable to that particular land use as contained in § 550-57 (Detailed Land Use Descriptions and Regulations). (See also Article IV.)

## WATERTOWN CODE

- (6) Land uses for which a blank space is shown for a specific zoning district are not permitted in such zoning district, except as legal nonconforming uses (per Article V).
- (7) Although a land use may be indicated as permitted by right or permitted as a conditional use in a particular district, it does not follow that such a land use is permitted or permissible on every parcel in such district. No land use is permitted or permissible on a parcel unless it can be located thereon in full compliance with all of the standards and regulations of this chapter which are applicable to the specific land use and parcel in question, or unless an appropriate variance has been granted pursuant to § 550-147.
