Background

On April 21, 2022 Iowa Senate Bill 2285 passed which allows for the sale of consumer fireworks in all locations zoned for commercial and industrial purposes in Iowa. In response to this bill, the Community Development Department is proposing to amend Title 15: Zoning of the Council Bluffs Municipal Code to allow ‘consumer fireworks sales’ as a principal use in all of the city’s commercial and industrial zoning districts.

Per Section 15.03.171a, “*Consumer Fireworks Sales*” are defined as, “*the sale of first-class and second-class consumer fireworks as defined in Iowa Code §727.2.*” ‘Consumer fireworks sales’ are currently allowed as a principal use in the C-2/Commercial District, P-C/Planned Commercial District, I-1/Light Industrial District, and I-2/General Industrial District. ‘Consumer fireworks sales’ are also regulated by the International Fire Code (IFC), which requires a 300-foot separation distance between ‘consumer fireworks sales’ in a temporary structure (e.g. tent) and a residential use.

The following text amendments are proposed to allow “consumer fireworks sales” as a principal use in all remaining commercial and industrial districts and include the IFC’s separation distance requirement:

- Amend [Section 15.12.20](#), Principal Uses, of the MCR/Mixed Commercial-Residential District by adding “Consumer Fireworks Sales” as a principal use and Section 15.12.060, Additional Regulations, of the MCR/Mixed Commercial-Residential District by adding the following language:

Consumer fireworks sales from a temporary structure shall not be located within three hundred (300) feet of a residential structure;
- Amend [Section 15.14.020](#), Principal Uses, of the C-1/Commercial District by adding “Consumer Fireworks Sales” as a principal use and Section 15.14.060, Additional Regulations, of the C-1/Commercial District by adding the following language:

Consumer fireworks sales from a temporary structure shall not be located within three hundred (300) feet of a residential structure;

- Amend [Section 15.16.020](#), Principal Uses, of the C-3/Commercial District by adding “Consumer Fireworks Sales” as a principal use and Section 15.16.060, Additional Regulations, of the C-1/Commercial District by adding the following language:

Consumer fireworks sales from a temporary structure shall not be located within three hundred (300) feet of a residential structure;

- Amend [Section 15.17.020](#), Principal Uses, of the C-4/Commercial District by adding “Consumer Fireworks Sales” as a principal use and Section 15.17.060, Additional Regulations, of the C-1/Commercial District by adding the following language:

Consumer fireworks sales from a temporary structure shall not be located within three hundred (300) feet of a residential structure;

- Amend [Section 15.19.020](#), Principal Uses, of the P-I/Planned Industrial District by adding “Consumer Fireworks Sales” as a principal use and Section 15.19.080, Additional Regulations, of the C-1/Commercial District by adding the following language:

Consumer fireworks sales from a temporary structure shall not be located within three hundred (300) feet of a residential structure; and

- Amend [Section 15.22.020](#), Principal Uses, of the I-3/Heavy Industrial District by adding “Consumer Fireworks Sales” as a principal use and Section 15.22.060, Additional Regulations, of the C-1/Commercial District by adding the following language:

Consumer fireworks sales from a temporary structure shall not be located within three hundred (300) feet of a residential structure.

The City Planning Commission recommended the following amendments to the A-P/Administrative-Professional District, relative to consumer fireworks sales, at their June 14, 2022 meeting:

- Amend [Section 15.13.20](#), Principal Uses, of the A-P/Administrative-Professional District by adding “Consumer Fireworks Sales” as a principal use and Section 15.13.060, Additional Regulations, of the A-P/Administrative-Professional District by adding the following language:

Consumer fireworks sales from a temporary structure shall not be located within three hundred (300) feet of a residential structure.

All City Departments and local utilities were notified of the proposed text amendment. No adverse comments were received as of the date of this report.

The Community Development Department noted that ‘consumer fireworks sales’ are subject to Section 15.23, *Off-Street Parking, Loading, and Unloading*, of the Council Bluffs Municipal Code (Zoning Ordinance) and that staff will be responsible for continuing to ensure that all consumer firework sales operations have adequate off-street parking.
