MEMORANDUM

To: President Yurs, Board of Trustees, and Village Clerk
From: Jeffrey D. O'Dell, Village Administrator/Treasurer
Date: May 12, 2022
Re: Zoning Code Amendments

Executive Summary: The Plan Commission has recommended the Village Board approve amendments to Chapter 615, Tables 1 and 3 of the Zoning Code of the purpose of creating a uniform procedure for property owners to obtain authorization from the Village for a zero-lot line dwelling. These amendments became necessary when the Plan Commission recommended, and the Village Board previously approved, a new R-Z Residential District. As a result, the attached amendments to Tables 1 and 3 of the Zoning Code reflect discussions with the Village Attorney, Village Zoning Administrator, and further deliberation by the Plan Commission.

The amended Table 1 has a new column to represent the R-Z Residential District reflecting permitted and conditional uses in the new district. Table 3 has a new column to represent the R-Z Residential District reflecting lot, building, and yard requirements in the new district. The note section in Table 3 has also been amended to reflect the addition of the new R-Z Residential District.

Direction Requested: The Village Board consider and approve a recommendation from the Plan Commission to amend Tables 1 and 3 of the Zoning Code to reflect the addition of a new R-Z Residential District.
