FOOTNOTES:

¹“Life of permit”: The length of time for which a building permit issued for the construction or renovation of a building.

² If no permit is required, the maximum duration of a temporary sign shall be 30 days.

³ Such sign shall be removed within 48 hours of the end of the event.

⁴ The permit may be renewed for three additional periods of 30 days each.

⁵ Such sign or banner shall be entirely mounted on or affixed to the building in which the business to which such sign or banner refers is located.

⁶ Such sign shall be removed at the time the work on the subject premises is completed.
