Exhibit A

17.50.030 Front Yard Fences

Subject to the clear view area regulations in this chapter, fences installed in a front yard shall comply with the following requirements:

- A. A fence that is seventy percent (70%) or more open is allowed up to four (4) feet in height.
- B. A fence, wall, or hedge that is not seventy percent (70%) or more open is allowed up to four (4) feet in height if located three (3) feet or more from the front street right of way or sidewalk, whichever is closer to the primary building on the lot. In addition, such a fence, or hedge is allowed up to six (6) feet in height if located fifteen (15) feet or more from the front street right of way or sidewalk.
- C. On properties with roadway frontages exceeding 200 feet, front yard fences are allowed up to six (6) feet in height; provided, that any portion of such fence that is within 15 feet of such property line and is greater than four (4) feet in height must be offset at least 20 feet from the side façades at the front of the primary dwelling so as to preserve an open view of the dwelling.
- D. A building permit must be secured for construction of all front yard fences.
