Dec. 29, 1911

PLAN SHOWING STANDARD CROSS SECTIONS OF THE  
DELAWARE DIVISION AND LEHIGH CANALS

Minimum section of the Delaware Canal as defined by Agreement dated - September 20, 1828.

- A. Minimum Commonwealth of Pennsylvania ownership extends 31.5 feet from the Canal center line on the west side of the Canal. On the east side of the Canal, Commonwealth of Pennsylvania ownership extends to the point where a slope of 2 horizontal to 1 vertical, starting at the easterly edge of the towpath (a minimum of 35 feet east of Canal center line), meets the natural ground.
- B. The Commonwealth of Pennsylvania does not recognize any claims to ownership by others within these boundaries.
