A conditional use permit may be issued for the keeping of pigs on a lot smaller than ten (10) acres by the Planning Commission based on factors such as parcel size, parcel location and zoning regulations.

**C. Permit Required.** An approved conditional use permit shall be required for each conditional use listed in this title. **E. Procedure.** An application for a conditional use permit shall be considered and processed as provided in this subsection.

4. The Planning Commission shall hold a public meeting and shall thereafter approve, approve with conditions, or deny the application pursuant to the standards set forth in subsection F of this section. A conditional use

shall be approved if reasonable conditions are proposed or can be imposed to mitigate the reasonably anticipated detrimental effects of the proposed use in accordance with applicable standards. If the reasonably anticipated detrimental effects of a proposed conditional use cannot be substantially mitigated by the proposal or the imposition of reasonable conditions to achieve compliance with the applicable standards, the conditional use may be denied.

5. After the Planning Commission or Zoning Administrator makes a decision, the Zoning Administrator shall give the applicant written notice of the decision.

6. A record of all conditional use permits shall be maintained in the office of the Zoning Administrator.

**F. Approval standards.** The following standards shall apply to the issuance of a conditional use permit:

- b. The holder or user of a permit has failed to comply with the conditions of approval or any Town, state, or federal law governing the conduct of the use;
- c. The holder or user of the permit has failed to construct or maintain the site as shown on the approved site plan, map, or other approval materials; or
- d. The operation of the use or the character of the site has been found to be a nuisance or a public nuisance by a court of competent jurisdiction in any civil or criminal proceeding.

2. No conditional use permit shall be revoked against the wishes of the holder or user of the permit without first giving such person an opportunity to appear before the Planning Commission and show cause as to why the permit should not be revoked or the conditions amended. Revocation of a permit shall not limit the Town's ability to initiate or complete other legal proceedings against the holder or user of the permit.

**L. *Expiration.*** A conditional use permit shall expire and have no further force or effect if the building, activity, construction, or occupancy authorized by the permit is not commenced within one year after approval.
